DEANS COMPUTER SERVICES PLC

“Accommodating, Helpful, Understanding

**Craig Howie, Finance Manager,
Weetwood Hall**

**“The service we receive from DCS ,
feels like we are given a ‘priority
service’ each time. They never let us
down and always get back to us”.**

Weetwood Hall

Set within nine acres of woodland and gardens and built around a 17th Century Manor House Weetwood Hall offers extensive four-star hotel services and facilities along with a conference centre. Although owned by the University of Leeds Weetwood Hall operates as an independent hotel.

There are 114 contemporary bedrooms along with 35 conference / seminar rooms. The hotel attracts TV companies for onsite shooting, England performance camps for training as well as the NHS.

With many awards including Investors in People, Weetwood Hall is dedicated to being an ethical organisation to support the community and local businesses.

How DCS and Pegasus Opera has helped Weetwood Hall

The Accounting team and Craig Howie use Pegasus Opera to manage their Payroll, Cashbook, Nominal and Purchase Ledger and it integrates with their front office system. Craig Howie explains that the “system fits in with the business” and the team benefit from...

- the regular upgrades and new features. It meets our evolving needs and legislative requirements of the business, including auto-enrolment, XRL reporting and the document management system.
- Pegasus Opera is a user friendly system which has been improved by upgrading to Opera 3, and allows us to produce our monthly and year end accounts with ease.
- The team at DCS provide us with a good service, and we have a great relationship with the team.

“I can go through account statuses for any period of time and find the associated history. It’s invaluable to the accounts team”
